The present recommendation of the Supdt. is to raise the pay to Rs. 250 or to convert the 3rd charge allowance of Rs 60 into personal allowance. The second alternative appears to be untenable as there could possibly be no grievance if a charge allowance ceases automatically with the cessation of the charge held.

The pay of the appointment was fixed at Rs 150-25-200 only so recently as October 1918 and Mr. Jayawarya was started on the maximum pay of Rs 200. There has since been no addition to the duties or responsibilities of the charge. On the other hand the return of Mr Krumbiegal must have lightened the responsibilities of Mr. Jayawarya. In these circs I am respectfully of opinion that the case for increasing the pay of the appointment is financially not strong.

Final Note by the Second Member of Council.

Subject:—

Question of increasing the pay of Mr. H.C. Javaraya, Assistant Superintendent, Government Gardens.

On the reversion to the Accounts Department in October 1918, of Mr. Bishtopanth Badami, who was officiating as Superintendent, Government Gardens and Museum, during the absence of Mr. G.H. Krumbiegel, Government in their order of 26th October 1918 making arrangements for the charge of the Department, appointed Mr. H.C. Javaraya as Assistant Superintendent on R$200/- in the grade of R$150-25-200, and placed him in charge of the Gardens and Museum. In June 1919, on a representation received from Mr Javaraya, a Conveyance Allowance of R$50/- per mensem was sanctioned to him and, a Charge Allowance of R$60/- per mensem was also sanctioned from 1st November 1919 for being in charge of the Department during Mr. Krumbiegel's absence.

Consequent on the return of Mr. Krumbiegel to duty, the charge allowance automatically ceased. Mr. Krumbiegel now submits that his resumption of duty does not in any way minimise the work of his Assistant, Mr. Javaraya, and recommends that either the charge allowance of R$60/- may be continued as personal allowance, or, his pay raised to R$250/-.

The matter was considered in Council on the 11th and 12th March 1920, and the Council are of opinion that the pay of the Assistant Superintendent may be fixed at R$150-20/1-350 (same as for Assistants in the Agricultural Department), that Mr. Javaraya may have the status of a Gazetted Officer with a starting pay of R$230/- in the grade, and that the present Conveyance Allowance may be continued to him.

Rees

The Financial Secretary to whom the papers were referred for concurrence or remarks, if any, has expressed the opinion that there has been no addition to the duties and responsibilities of Mr. Javaraya's charge since the pay of his appointment was fixed at Rs.150-25-200 so recently as October 19/8 when he was started on the maximum pay of that grade, but, that on the other hand the return of Mr. Krumbiegel must have lightened his responsibilities and that, therefore, the case for increasing the pay of the appointment is not financially strong.

The Chief Secretary's note dated 27th January 1920 explains the circumstances under which Mr. Krumbiegel has to work at least for some time to come and the consequent addition to the responsibilities of the Assistant, Mr. Javaraya. The grade now proposed is the same as the one obtaining in the Agricultural Department.

The recommendation of the Council may, therefore, be graciously sanctioned.

Office of the Economic Botanist,
Superintendent, Govt. Gardens
Lal-Bagh, Bangalore,
Dated, 22nd January 1920.

CHIEF SECRETARIAT. IV MINOR Depts: 24 JAN 1920

From

G.H. KRUMBIEGEL, Esq., F.R.H.S.,
Economic Botanist,
Superintendent, Govt. Gardens.

To

C.S. BALASUNDARAM IYER, Esq., B.A.,
Chief Secretary to the Government of His Highness
the Maharaja of Mysore,
BANGALORE.

Sir,

With reference to G.O. No. C.B. 944-45/C.B.131-19-8 dated 8th instant, I have the honor to state that on my resuming charge of the office the charge allowance of Rs.60/- to my assistant, Mr. Javaraya, will automatically cease.

It is very necessary, however, that I should be free to devote my time to the development of economic work in connection with Fruit and Vegetable cultivation and industrial plantations --- throughout the State and organising the Department for this work, besides which I have to carry out a lot of designs for Architectural improvements, Garden improvements, Town planing, etc., and giving directions to various Departments for their execution.

While I assume full responsibility and the direction of the Department, I must, for above reasons, leave the bulk of the -- routine work to Mr. Javaraya. Since no development and organisation work has been done during my absence and I have carried on all Improvement work direct with the respective Departments and all

P.T.O.

all important papers from my office have all along been submitted to me, there will hardly be any change in Mr. Javaraya's work, which will continue to be both onerous and responsible; on the contrary, as I am able to push on original work, there will inevitably be an increase in the routine work.

Under these circumstances, I think it is hard that his --- emoluments should be reduced by Rs.60/-.

The pay is already inadequate and is less than that of --- Assistants in most other Departments and I request and strongly recommend to Government that either his pay be raised to Rs.250/- or the Rs.60/- hitherto drawn as Charge allowance be continued as Personal allowance.

The case is a most deserving one and I solicit the favour of your good recommendation.

I have the honor to be,

Sir,

Your most obedient servant,

A. Thambiah

Superintendent.
